Fieldgate Homes is a private family business with three generations working closely together. The company believes that building great communities is as important as building spectacular homes.

Fieldgate plans its sites with the utmost care to create great neighbourhoods that seamlessly blend with nearby parks, playgrounds and open green spaces.

At Fieldgate Homes, the values that exist at the very heart of the company are the same values that were there when the company first began more than five decades ago. Commitment to quality, uncompromising building standards and a sense of pride that permeates every aspect of their business are hallmarks of Fieldgate Homes.
