step out to the city

Corktown is the epitome of city living, nestled in a central urban location, with the best amenities all around. Neighbourhood shops, restaurants and pubs are just steps from your door, while the rest of the city's best attractions are just minutes away by public transit. The Queen streetcar is virtually at your door, and so is access to the DVP for destinations near and far.

96"W x 48"H (this is at 50% of actual size)
