### WARRANTY

Fieldgate Homes warranty backed by TARION's (Ontario New Home Warranty Program) Excellent Service Rating includes complete customer service for one full year.

#### TWO YEAR WARRANTY PROTECTION

- The home is free from defects in workmanship and materials including caulking windows and doors so that the building prevents water penetration.
- Defects in workmanship and materials in the electrical, plumbing and heating systems.
- Defects in workmanship and materials, which result in the detachment, displacement or deterioration of exterior cladding.
- Violations of the Ontario Building Code's Health and Safety provisions.
- Warranties are limited to the requirements established by the Ontario New Home Warranty Plan Act.

### SEVEN YEAR WARRANTY PROTECTION (MAJOR STRUCTURAL)

A major structural defect is defined in the Ontario New Home Warranty Plan Act as:

- A defect in workmanship and materials that results in the failure of a load-bearing part of the home's structure, or any defect in workmanship or material that adversely affects your use of the building as a home.

\*AS PER PLAN

+ AS PER VENDOR'S STANDARD SAMPLE

Purchaser shall have the right to select floor coverings, tile, cabinets and countertops, bathroom fixture and purchase upgrades from the Vendor's samples subject to their timely availability from the Vendor's normal supplier and provided that the same have not already been ordered for this house. Variations from Vendor's sample may occur in bricks, finishing material, kitchen and vanity cabinets, floor and wall finishes due to the normal production process and between the colour of the basement windows and the windows on the rest of the home. The surface texture of some floor tiles may vary resulting in uneven surfaces after installation. Purchaser is notified that the laundry area may be lowered to accommodate side yard drainage, in extraordinary cases, door(s) from inside the home to garage will be eliminated or, provided it is permitted by the municipal building code, a landing may be added in the garage, at Vendor's discretion. Steps where applicable, may vary at any exterior or interior entrance way due to grading variance. The rear exterior of the basement is based on the standard grade condition. The number of windows and their size may vary depending on the grade of your lot. Purchasers are notified that the new home design may have an attic hatch located in a closet and/or on an interior wall. Corner lots and priority lots may have special treatments which may require window or external stair location changes and interior modifications to balance and improve the elevations of the house exposed to the street or to conform to zoning. The Purchaser accepts these changes as necessary. When Purchaser is buying a house already under construction, Purchaser acknowledges that there may be deviations from the floor plan, elevation or layout of this model and Purchaser agrees to accept such changes as constructed. The house erected or to be erected on the above lot shall contain the features listed above. The floor plan shall be that plan illustrated in the Vendor's latest sales brochure for the model type purchased. The Purchaser acknowledges that the Vendor's model homes have been decorated for public display purposes and may contain certain features and upgrade finishes and augmented services, which may not be included in the basic model type. Most additional features on display in the model home are available as extras. The Purchaser is notified that due to siting and grading conditions, rooflines may not be exactly as shown, some end units will share a common wall with adjoining unit. Due to grading conditions, risers may be necessary at the front and rear entries. Rooflines may vary due to structural roof framing conditions. Variations in uniformity and colour from Vendor's samples may occur in finished material, kitchen and vanity cabinets, floor and wall finishes due to normal production processes. Hardwood may react to normal fluctuating humidity levels producing gapping or cupping, both considered to be within acceptable industry standards. Actual square footage may vary slightly depending on elevation selected. Ceiling height in laundry room and powder room may be modified to accommodate mechanical systems, duct work or architectural changes (some walls may be modified also). Carpeting may be seamed under certain conditions. Fieldgate Homes reserves the right to use visual representations of your home taken during construction and/or after closing, to be used in advertising and/or public relations. Specifications and terms subject to change E. & O.E. June 29, 2018.
